

# Writhlington School

Writhlington School is celebrating a terrific set of results this week. Well done to all of our students who have achieved an impressive set of high grades following some rigorous assessments in place of exams. The school is exceptionally proud of the increase in top grades for A levels and BTEC Level 3 courses. Students continue to achieve higher grades with many going on to Russell Group Universities and Degree Apprenticeships.

Students are off to a range of top universities including: Imperial College, University College London, University of Southampton, University of Liverpool, University of Cardiff, University of Exeter, University of Leeds, University of Nottingham, University of Manchester, University of Loughborough, University of Bristol and University of Bath.

We are also delighted that students are taking up fantastic Apprenticeships including a Nuclear Engineering Degree Apprenticeship in the Royal Navy and a Higher Apprenticeship in Early Years.

We are incredibly proud of all our students who have put in so much hard work and are especially pleased and proud of the students who have achieved all A and A\* grades in their A levels across the board: Lauren Blackmar, Michael Foy, William Glover, Thomas Jeffryes, Harry Morris, Veronica Pralea, Sophie Quintin, Charlotte Turner, Lauren Tutchell, Millie Warman, Barney Whitehead, Mia Wilmott.

As well as achieving top grades this year our Year 13 students have made significant progress from their GCSEs and exceeded their target grades as a result of hard work in school and remotely during these unprecedented times. Congratulations to these students who exceeded their targets by 2 grades: Hannah Hudson, River Lawrence, Brian Gilvray, Reece Foster, AJ Hawkins.

We are especially pleased and proud of the students who have achieved all Distinction\* and Distinction grades in their Level 3 BTEC courses: Hannah Hudson, Emilia Misha, Abby Netherwood, Ella Paddon, Brian Gilvray, Jack Timperley, Will Gallop.

Caroline Taggart, Deputy Director of Sixth Form says, 'I could not be more proud of the resilience and hard work that this year group has shown over the past few years. Despite all the challenges they have remained determined and have achieved some incredible results in the exams they sat at school. So many have deservedly secured fantastic university places, been successful in starting a wide range of apprenticeship opportunities or secured brilliant jobs and I am sure will all go on to achieve great things. Well done Year 13.'

We wish all the students the best of luck on the next stage of their journey, we're confident they're equipped to do extremely well.
